

Booking HarmonyChoir for your event

Hello! We are an Edinburgh choir with a varied repertoire of songs in 4-part harmony. We regularly support charitable events and donate our performance fees to charities.

If you are thinking about booking HarmonyChoir for your event, here are a few things you need to tell us and be aware of.

- What kind of event are we taking part in?
- What are the performance date, start and end times?
- Where and what is your venue, and is it indoor or outdoor? The choir could be 12-25 people and so we need to know what space you have.
- Is there a stage area, and are seats available for us, or are we expected to stand for the duration of the event?
- Some of our songs have recorded backing tracks and some use piano backing. Does your venue have a piano (in tune)? We can bring our own keyboard and portable speaker, but can we access electricity? If not, we will choose our songs accordingly.
- Before the choir starts performing, we need 30 minutes or so to warm up our voices and get in tune with each other. Do you have a separate space where we can warm up together without disturbing people, or can we access the performance area beforehand to warm up there?
- Do you have a space where we can store things securely whilst we are performing?
- We have a set fee depending on the length of performance, £150 for up to 15 minutes or £250 for up to 30 minutes and we always donate this to charity. For some organisations we will happily waive our fee, please feel free to discuss this with us if appropriate.

Please do get in touch if you would like to request HarmonyChoir to sing at an event for you.

Thank you!
